

Alternative Treatments Billing Guideline – Medicare Advantage

CHPW is proud to offer our Health and Wellbeing benefit. This supplemental benefit allows our **Medicare Advantage** members access to acupuncture, chiropractic, naturopathic and massage therapy.

Services are subject to benefit coverage, limitations, and exclusions as described in plan coverage guidelines. Go to CHPW's [Health and Wellbeing](#) page or review the [Benefit Grids](#) for **plan-specific information** on coverage. The Medicare Managed Care plans have different alternative treatment benefits between the plans.

Members can go to any provider if they are certified to provide the services within their license's scope.
