Section 1 – Introduction

This directory provides a list of CHPW Medicare Advantage’s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

The network providers listed in this directory have agreed to provide you with your vision services. You may go to any of our network providers listed in this directory; however, some services may require a referral. There are only a few types of covered services you can get on your own, without getting a referral (approval in advance) from your Primary Care Provider (PCP). Please call customer service at 1-800-942-0247 (TTY Dial: 711), from 8:00 a.m. to 8:00 p.m., 7 days a week, or see your EOC for more information, including the cost sharing that applies to out-of-network services.

You must use network providers, except in emergency or urgent care situations. If you obtain routine care from out-of-network providers, neither Medicare nor CHPW Medicare Advantage will be responsible for the costs.
