

# Community Health Plan of Washington Medicare Advantage Dual Plans

## 2025 Notice Formulary Drug List Changes - 1 Tier Effective 11/01/2025

Community Health Plan of Washington™ may add or remove drugs from our formulary during the year. If we remove drugs from our formulary, or add prior authorization, quantity limits and/or step therapy restrictions on a drug, we will notify you of the change at least 60 days before the date that the change becomes effective.

However, if the Food and Drug Administration deems a drug on our formulary to be unsafe or the drug's manufacturer removes the drug from the market we will immediately remove the drug from our formulary. For more recent information or other questions, please contact Community Health Plan of Washington (CHPW) Medicare Advantage (MA) Dual Plans customer service:

OCALIVA 5 MG TABLET	11/01/2025	Removed from Formulary		*Alternative

\*Alternative drugs are drugs in the same therapeutic category/class or cost-sharing tier as the affected drug. Only your physician can determine if the alternate listed here is appropriate for you given the individualized nature of drug therapy. Please consult with your physician as to whether this is an appropriate drug for you.

## List of Abbreviations

**LA:** Limited Availability. This medication may only be available at certain pharmacies.

**PA:** Prior Authorization. The Plan requires you or your physician to get prior authorization for certain medications. This means that you will need to get approval before you fill your prescriptions. If you don't get approval, we may not cover the medication.

**QL:** Quantity Limit. For certain medications, the Plan limits the amount of the medication that we will cover.
