2025 Notice Formulary Drug List Changes - 5 Tier Effective 03/01/2025

Community Health Plan of Washington™ may add or remove drugs from our formulary during the year. If we remove drugs from our formulary, or add prior authorization, quantity limits and/or step therapy restrictions on a drug, we will notify you of the change at least 60 days before the date that the change becomes effective.

However, if the Food and Drug Administration deems a drug on our formulary to be unsafe or the drug's manufacturer removes the drug from the market we will immediately remove the drug from our formulary. For more recent information or other questions, please contact Community Health Plan of Washington Medicare Advantage Customer Service:

List of Abbreviations

LA: Limited Availability. This medication may only be available at certain pharmacies.

PA: Prior Authorization. The Plan requires you or your physician to get prior authorization for certain medications. This means that you will need to get approval before you fill your prescriptions. If you don't get approval, we may not cover the medication.

PAns: Prior Authorization for new starts. The plan requires you or your physician to get prior authorization for certain drugs if you are taking them for the first time. This means that you will need to get approval before you fill your prescriptions. If you don't get approval, we may not cover the drug.

QL: Quantity Limit. For certain drugs, the Plan limits the amount of the medication that we will cover.

ST: Step Therapy. In some cases, the Plan requires you to try certain drugs first to treat your medical condition before we will cover another drug for that condition.

Community Health Plan of Washington is an HMO plan with a Medicare contract. Enrollment in Community Health Plan of Washington depends on contract renewal.
